

Aftab Mathur

Director, Temasek

Aftab Mathur is a Director at Temasek, where he focuses on early and mid-stage global technology investments. He serves on the Board of Directors of Perfect Day, Soul Machines, Eigen Technologies, PureLiFi, and Innoven Capital, and as a board observer at Fabric, Bolt Threads, WithinVR, and Airmap. He previously served as a board observer of Impossible Foods and Helix RE. Aftab is responsible for leading firm's investments in Zipline, Improbable, and Team8.

Prior to Temasek, Aftab was a venture capitalist and founding team member of Reliance Industries' (RIL) corporate venture platform. Prior to that, he was a private equity investor at Warburg Pincus and founded a specialty chemicals startup – Matcorp. Aftab began his career as a banker with Merrill Lynch and Nomura in New York.

Aftab received his Bachelor of Arts in Economics from Yale University.
