

Narayan Tripunithura Mahadeva (TM)

Chief Business Operations Officer

TM serves as Chief Business Operations Officer at Perfect Day, a consumer biology company on a mission to create a kinder, greener tomorrow by developing new ways to make the foods you love today — starting in the dairy aisle. In his role he manages all business functions for Perfect Day globally, including People & Culture, IT, Facilities, and Lab Services.

TM joined the company from HCL Technologies, Google's Ecosystems Business Unit, where he was the North American market leader responsible retail, consumer goods, manufacturing, and energy, and utilities. The team accelerated technology and business formations, realigned the strategy, and grew its pipeline under his direction. Prior to that, he led teams in consumer goods and retail with companies including Cognizant and DXC Technology.

TM brings over 20 years of experience running and managing business units to Perfect Day. He is an expert at assembling and leading high-performance teams and transforming and business units. He brings a passion for motivating and grooming leaders with a focus on continuous learning and improvement, critical for building the strongest team for Perfect day as it scales.

TM received his B.Tech from SMC College of Dairy Sciences and a business degree from the Indian Institute of Management, Ahmedabad, one of Asia's premier management school. He is passionate about the future of animal-free dairy and, with the rest of the Executive Leadership Team, is driving Perfect Day to its vision of building a more equitable, resilient, and diverse food system for all of us.
